Nishitetsu Group

Nishi-Nippon Railroad Co., Ltd. was established in 1908 and today is one of the leading private railroad companies in West Japan. The Nishitetsu Group consists of more than 85 companies providing various services.

Through the bus and train services, we provide transportation networks for the local communities of Fukuoka and other areas. Besides that, we provide real estate business and various other businesses.

- The bus service division boasts the largest number of buses in a bus company in Japan and is operating buses through our web of service routes.
- The railroad service division has a total of 106.1 kilometers of two railroads and is providing service to local residents.
- The international logistics department started handling air freight in 1948 after the company started an agency contract with an airline. In order to respond to various needs of customers, we offer a wide range of delivery services to many parts of the world through our global network.
- The real estate department builds and sells individual houses and condominiums, as well as rental offices and commercial buildings in Fukuoka Prefecture.
- The distribution department is involved in our supermarket businesses (Nishitetsu Store etc.), and variety stores (Incube).

In addition, in the leisure and amusement department, we manage amusement parks, cruise ships and hotels.

We have been in the logistics business since 1948 after we acquired a travel agency and a contract with an airline company and then started to handle air freight. In 1957, we also started to handle consolidated air cargo shipped from Japan to foreign countries. We incorporated in the US in 1971 and started to develop our business network abroad.

We were certified by the government as an AEO company with good compliance and Security policies and obtained a certificate of AEO Bonded Warehouse Operator in 2009 that allows us for simplified customs clearance procedures. We further upgraded the certification as AEO Customs Brokerage Service Provider in 2011 and AEO Bonded Transportation Service Provider in 2014.

We will keep our efforts to provide high quality and valued services to customers.
